Envirotech Office Systems Inc.
8025 Dixie Road, Brampton, ON, L6T 3V1

Dear Sir or Madam:

I write this letter following the completion of our office reconfiguration. This reconfiguration was to be completed while the building was fully occupied and so it was critical that it be completed as planned in order to minimize the unproductive time for our entire business division.

The entire process from quotation to planning, and installation to project completion was managed efficiently and professionally within the budget that we set and the time allocated.

I am satisfied with the product that Envirotech have provided but more importantly I am very happy with the service that you, and in particular, Ahmet Onder, have provided to us throughout the course of this project.

I will be glad recommend Envirotech as a provider of quality office systems and planning services.

Sincerely,
